Defendants.

Plaintiffs McGraw Hill LLC, Bedford, Freeman & Worth Publishing Group, LLC d/b/a Macmillan Learning, Cengage Learning, Inc., Elsevier Inc., and Pearson Education, Inc. (collectively, “Plaintiffs”) have moved for a Supplemental Preliminary Injunction to supplement the Preliminary Injunction entered by the Court on September 10, 2020 (ECF No. 41) (“the Original Preliminary Injunction,” attached hereto as **Appendix A**). On August 12, 2020, Plaintiffs brought this action against Defendants Does 1 – 63 (collectively, “Defendants”), doing business as, respectively, 1stebooks.com, aonie.club, aquickshop.online, atiso.club, bigdadystores.com, bookscheap.org, bookspersonally.com, caposel.myshopify.com, ccbooks.org, college2book.com, derora.onkingshop.com, digitalbook4you.com, digitalbookdrive.com, dumanus.com, ebook4mart.com, ebookall.store, ebookandlife.com, ebook-mall.com, ebookmar.com, ebooksmoda.com, ebooksshelf.com, ebooksstuff.co, ebooktestbank.com, ebookthings.net, ebooktoday.net, ebooktoday.store, ebookus.store, ebookvip.store, enent.myshopify.com, evelyn.onkingshop.com, falcous.myshopify.com, genter.store, gettxt.net, gildanvietnam.com, goldenbuuks.myshopify.com, grutina.shop, guzguz.club, ibookstorehub.com, iconover.com, intelligentlearnerclub.com, llersand.xyz, megaebooks.info, mononus.com, mosac.club, mutrim.myshopify.com, mymomoxstore.myshopify.com, nghigift.com, pdf4colleges.com, pdf4school.com, pennymac.club, pixarebook.store, reliableoutlets.com, ruzssos.xyz, seko.club,

stdbooks.com, sugise.myshopify.com, unibookmaster.com, vitalebook.net, vitalebook.store, webbook.store, weyco.club, zbooklife.com, and zstapless.com (the “Original Infringing Sites”). On September 9, 2020, the Court held a show cause hearing to consider Plaintiffs’ request for a Preliminary Injunction, at which no Defendant appeared.

Plaintiffs now seek the entry of a Supplemental Preliminary Injunction on the basis that, in addition to their respective Original Infringing Sites, certain Defendants have reproduced and/or distributed unauthorized electronic copies of Plaintiffs’ copyrighted textbooks (“Infringing eBooks”) and/or used in commerce unauthorized identical (or substantially indistinguishable) copies of Plaintiffs’ federally registered trademarks in connection with the following websites that they own and/or operate: allebook.digital, azgift.store, beedino.com, book4sales.com, bookhunting.store, bookstore.cheap, buyebooksnow.com, cheggbook.store, digitalbook4deal.com, digitalbook4sales.com, ebook4me.store, ebook4university.com, ebook4you.net, ebookaz.store, febookbalo.store, ebookfull.store, ebookgarden.net, ebookhunting.store, ebookpdf.store, ebookpromotions.com, ebookrost.store, ebooks4deal.com, ebooksalestorm.co, ebooksalestorm.net, ebooksell.store, ebookworld.store, ebookz.store, elearning-books.com, etextbook4you.com, hdebook.store, hunterbook.store, itsebooks.com, kitesbook.com, koboebook.com, kobovital.com, lclbooks.com, librarysparks.net, newbbstore.com, nybook.club, pdf2find.com, pickmebooks.com, pickmebooks.store, pixarebook.com, pixarebook.digital, pixbook.club, runebook.club, tikiz.store, vitalbooks.net, vitalbookshelf.store, vitalebook.club, vitalebooksource.store, vitalsource.ltd, and zingbook.store (“Additional Infringing Sites,” and collectively with “Original Infringing Sites,” the “Infringing Sites”).

The Court, having reviewed the memorandum of law and declarations filed by Plaintiffs in

support of their motion, and the entire record herein, makes the following findings of fact and conclusions of law, which supplement the findings in the Original Preliminary Injunction:

1. Plaintiffs are likely to succeed in showing that Defendants have infringed and are continuing to infringe Plaintiffs' federally registered copyrights and/or trademarks in connection with Defendants' reproduction, distribution, offering for sale, and/or sale of Infringing eBooks as set forth on **Appendices B** and **C**, respectively.

2. The reproduction, distribution, advertisement, offering for sale, and/or sale of Infringing eBooks on the Additional Infringing Sites will result in immediate and irreparable injury to Plaintiffs if the requested relief is not granted.

3. The balance of potential harm to the relevant Defendants, if any, by being prevented from continuing to profit from their illegal and infringing activities if the Supplemental Preliminary Injunction is issued is far outweighed by the harm to Plaintiffs, their businesses, and the value associated with Plaintiffs' copyrights and trademarks if the Supplemental Preliminary Injunction is not issued.

4. Public interest favors issuance of the Supplemental Preliminary Injunction in order to protect Plaintiffs' interests in and to their respective copyrights and trademarks and protect the public from being deceived and defrauded by Defendants' infringing conduct.

NOW, THEREFORE, IT IS HEREBY ORDERED, in accordance with Federal Rules of Civil Procedure 64 and 65, the Copyright Act (17 U.S.C. § 502(a)), the Lanham Act (15 U.S.C. § 1116(a)), N.Y. C.P.L.R. §§ 6201 *et al.*, and the Court's inherent equitable power to issue provisional remedies ancillary to its authority to provide final equitable relief, that:

1. Defendants, their officers, agents, servants, employees, and attorneys, and all those in active concert or participation with any of them who receive actual notice of this Supplemental

Preliminary Injunction, are enjoined from:

- a) Directly or indirectly infringing any copyrighted work that is owned or exclusively controlled by any of the Plaintiffs (“Plaintiffs’ Textbooks”), including any copyrighted work published under any of the imprints identified on **Appendix D** hereto (“the Imprints”);
- b) Directly or indirectly infringing any trademark that is owned or exclusively controlled by any of the Plaintiffs (“Plaintiffs’ Marks”), including such trademarks associated with the Imprints;
- c) Directly or indirectly copying, reproducing, manufacturing, downloading, uploading, transmitting, distributing, selling, offering for sale, advertising, marketing, promoting, or otherwise exploiting any of Plaintiffs’ Textbooks or goods bearing Plaintiffs’ Marks without Plaintiffs’ express written authorization;
- d) Using, hosting, operating, maintaining, creating, or registering any computer server, website, domain name, domain name server, cloud storage, e-commerce platform, online advertising service, social media platform, proxy service (including reverse and forwarding proxies), website optimization service (including website traffic management), caching service, content delivery network, payment processing service, in each case in connection with the Infringing Sites, or providing any other service that supports the Infringing Sites in a similar manner as the above-listed services or otherwise enables, facilitates, permits, assists, solicits, encourages, or induces the infringement of Plaintiffs’ Textbooks or Plaintiffs’ Marks, as

set forth in subparagraphs (a) through (c) above;

- e) Transferring ownership or control of the websites, domain names, or accounts associated with the Infringing Sites; and
- f) Displaying the Infringing Sites in online search results and/or listing links to the Infringing Sites in any search index.

2. Defendants, their officers, agents, servants, employees, and attorneys, and all those in active concert or participation with any of them who receive actual notice of this Supplemental Preliminary Injunction, and service providers to Defendants or other third parties who receive actual notice of this Supplemental Preliminary Injunction and operate or control accounts holding or receiving money or other assets owned by, related to, connected to, associated with, held by, or transferred in connection with the Infringing Sites (“Defendants’ Accounts”), must immediately locate all Defendants’ Accounts and immediately cease transferring, withdrawing, or otherwise disposing of any money or other assets in Defendants’ Accounts or allowing such money or other assets in Defendants’ Accounts to be transferred, withdrawn, or otherwise disposed of. Defendants’ Accounts include but are not limited to: (i) Defendants’ accounts with PayPal, Stripe, Square, Shopify, and other providers of payment processing services; and (ii) Defendants’ accounts with banks, savings and loan associations, credit card processing agencies, merchant acquiring banks, and other companies that engage in the processing or transfer of money and/or other assets that have received money or other assets from Defendants’ Accounts or otherwise received sales proceeds from the Infringing Sites. In addition, Plaintiffs have shown that, based on third-party discovery they obtained pursuant to the August 12, 2020 Expedited Discovery Order, Defendants Accounts also include but are not limited to those known bank accounts identified on **Appendix E**.

3. For purposes of aiding third parties in complying with the Original Preliminary Injunction and this Supplemental Preliminary Injunction, attached as **Appendix F** is a table that contains information compiled by Defendant Doe numbers, names, aliases, email addresses used, and Infringing Sites, with certain emails and Infringing Sites being listed as applicable to multiple Defendants, or a “Defendant Group.” Plaintiffs have shown in their motion that, based on information provided by the Defendants and obtained in third-party discovery, the information in **Appendix F** should be included to assist third parties in their efforts to comply with the Original Preliminary Injunction and/or this Supplemental Preliminary Injunction.

IT IS FURTHER ORDERED that Defendants shall preserve copies of all computer files relating to any of the Additional Infringing Sites and shall take all steps necessary to retrieve computer files relating to the Additional Infringing Sites that may have been deleted before the entry of this order.

IT IS FURTHER ORDERED that this Supplemental Preliminary Injunction shall no longer apply to any Defendant dismissed from this action.

IT IS FURTHER ORDERED that Plaintiffs shall serve this Supplemental Preliminary Injunction on Defendants and file proof of service on the docket.

The Clerk of Court is directed to terminate the motion pending at Dkt No. 45.

SO ORDERED.

Dated: November 22, 2020

GREGORY H. WOODS
United State District Judge

Plaintiffs McGraw Hill LLC, Bedford, Freeman & Worth Publishing Group, LLC d/b/a Macmillan Learning, Cengage Learning, Inc., Elsevier Inc., and Pearson Education, Inc. (collectively, “Plaintiffs”) have moved for a Preliminary Injunction against Defendants Does 1 — 63 (collectively, “Defendants”), doing business as, respectively, 1stebooks.com, aonie.club, aquickshop.online, atiso.club, bigdadystores.com, bookscheap.org, bookspersonally.com, caposel.myshopify.com, ccbooks.org, college2book.com, derora.onkingshop.com, digitalbook4you.com, digitalbookdrive.com, dumanus.com, ebook4mart.com, ebookall.store, ebookandlife.com, ebook-mall.com, ebookmar.com, ebooksmoda.com, ebookshelf.com, ebooksstuff.co, ebooktestbank.com, ebookthings.net, ebooktoday.net, ebooktoday.store, ebookus.store, ebookvip.store, enent.myshopify.com, evelyn.onkingshop.com, falcous.myshopify.com, genter.store, gettxt.net, gildanvietnam.com, goldenbuuks.myshopify.com, grutina.shop, guzguz.club, ibookstorehub.com, iconover.com, intelligentlearnerclub.com, llersand.xyz, megaebooks.info, mononus.com, mosac.club, mutrim.myshopify.com, mymomoxstore.myshopify.com, nghigift.com, pdf4colleges.com, pdf4school.com, pennymac.club, pixarebook.store, reliableoutlets.com, ruzssos.xyz, seko.club, stdbooks.com, sugise.myshopify.com, unibookmaster.com, vitalebook.net, vitalebook.store, webbook.store, weyco.club, zbooklife.com, and zstapless.com (the “Infringing Sites”). Plaintiffs so move on the

basis that Defendants are reproducing and/or distributing unauthorized electronic copies of Plaintiffs' copyrighted textbooks and using in commerce unauthorized identical (or substantially indistinguishable) copies of Plaintiffs' federally registered trademarks, as set forth in Plaintiffs' Complaint.

The Court, having reviewed the Complaint, the Memorandum of Law in Support of Plaintiffs' Application for a Temporary Restraining Order, Order to Show Cause Why a Preliminary Injunction Should Not Issue, Expedited Discovery Order, and Alternate Service Order ("the Application") (ECF No. 17), the supporting declarations (ECF Nos. 18-24), and the entire record herein, makes the following findings of fact and conclusions of law:

1. Plaintiffs have served Defendants with the Complaint and the exhibits thereto, the Court's August 12, 2020 *Ex Parte* Order ("the *Ex Parte* Order") (ECF No. 5) granting the Application, and the other papers filed in this case as set forth in the Certificates of Service filed by Plaintiffs on September 1 and 4, 2020 (ECF Nos. 9 & 32).

2. Plaintiffs have made a *prima facie* showing that the Court has personal jurisdiction over Defendants under N.Y. C.P.L.R. § 302(a). Plaintiffs have asserted that Defendants have distributed, advertised, offered to sell, and sold unauthorized electronic copies of Plaintiffs' copyrighted textbooks ("Infringing eBooks"), including those that bear unauthorized copies of Plaintiffs' trademarks, through highly interactive websites that are continuously accessible to New York consumers, and that Plaintiffs have been injured in New York by Defendants' infringing conduct.

3. Plaintiffs are likely to succeed in showing that Defendants have infringed and are continuing to infringe Plaintiffs' federally registered copyrights and trademarks in connection with Defendants' reproduction, distribution, offering for sale, and/or sale of Infringing eBooks as set

forth on Exhibits B and C to the Complaint, which are attached hereto as **Appendices A and B**, respectively.

4. The reproduction, distribution, advertisement, offering for sale, and/or sale of Infringing eBooks will result in immediate and irreparable injury to Plaintiffs if the requested relief is not granted.

5. The balance of potential harm to Defendants, if any, by being prevented from continuing to profit from their illegal and infringing activities if a Preliminary Injunction is issued is far outweighed by the harm to Plaintiffs, their businesses, and the value associated with Plaintiffs' copyrights and trademarks if a Preliminary Injunction is not issued.

6. Public interest favors issuance of a Preliminary Injunction in order to protect Plaintiffs' interests in and to their respective copyrights and trademarks and protect the public from being deceived and defrauded by Defendants' infringing conduct.

NOW, THEREFORE, IT IS HEREBY ORDERED, in accordance with Federal Rules of Civil Procedure 64 and 65, the Copyright Act (17 U.S.C. § 502(a)), the Lanham Act (15 U.S.C. § 1116(a)), N.Y. C.P.L.R. §§ 6201 *et al.*, and the Court's inherent equitable power to issue provisional remedies ancillary to its authority to provide final equitable relief, that:

- a) Directly or indirectly infringing any copyrighted work that is owned or exclusively controlled by any of the Plaintiffs ("Plaintiffs' Textbooks"), including any copyrighted work published under any of the imprints Defendants, their officers, agents, servants, employees, and attorneys, and all those identified on **Appendix C** hereto ("the Imprints");

- b) Directly or indirectly infringing any trademark that is owned or exclusively controlled by any of the Plaintiffs (“Plaintiffs’ Marks”), including such trademarks associated with the Imprints;
- c) Directly or indirectly copying, reproducing, manufacturing, downloading, uploading, transmitting, distributing, selling, offering for sale, advertising, marketing, promoting, or otherwise exploiting any of Plaintiffs’ Textbooks or goods bearing Plaintiffs’ Marks without Plaintiffs’ express written authorization;
- d) Using, hosting, operating, maintaining, creating, or registering any computer server, website, domain name, domain name server, cloud storage, e-commerce platform, online advertising service, social media platform, proxy service (including reverse and forwarding proxies), website optimization service (including website traffic management), caching service, content delivery network, payment processing service, in each case in connection with the Infringing Sites, or providing any other service that supports the Infringing Sites in a similar manner as the above-listed services to enable, facilitate, permit, assist, solicit, encourage, or induce the infringement of Plaintiffs’ Textbooks or Plaintiffs’ Marks on the Infringing Sites, as set forth in subparagraphs (a) through (d) above;
- e) Transferring ownership or control of the websites, domain names, or accounts associated with the Infringing Sites; and
- f) Displaying the Infringing Sites in online search results and/or listing links to the Infringing Sites in any search index.

2. Defendants, their officers, agents, servants, employees, and attorneys, and all those in active concert or participation with any of them who receive actual notice of this Preliminary Injunction, and service providers to Defendants or other third parties who receive actual notice of this Preliminary Injunction and operate or control accounts holding or receiving money or other assets owned by, related to, connected to, associated with, held by, or transferred in connection with the Infringing Sites (“Defendants’ Accounts”), must immediately locate all Defendants’ Accounts and immediately cease transferring, withdrawing, or otherwise disposing of any money or other assets in Defendants’ Accounts or allowing such money or other assets in Defendants’ Accounts to be transferred, withdrawn, or otherwise disposed of. Defendants’ Accounts include but are not limited to: (i) Defendants’ accounts with PayPal, Stripe, Square, Shopify, and other providers of payment processing services; and (ii) Defendants’ accounts with banks, savings and loan associations, credit card processing agencies, merchant acquiring banks, and other companies that engage in the processing or transfer of money and/or other assets that have received money or other assets from Defendants’ Accounts or otherwise received sales proceeds from the Infringing Sites.

IT IS FURTHER ORDERED that Defendants shall preserve copies of all computer files relating to any of the Infringing Sites and shall take all steps necessary to retrieve computer files relating to the Infringing Sites that may have been deleted before the entry of this Order.

IT IS FURTHER ORDERED that the Expedited Discovery Order contained in the *Ex Parte* Order shall remain in effect until further order of the Court.

IT IS FURTHER ORDERED that this Preliminary Injunction shall no longer apply to any Defendant dismissed from this action.

IT IS FURTHER ORDERED that Plaintiffs shall serve this order on Defendants and file proof of service on the docket.

SO ORDERED.
